MEMBERSHIP/FACILITY USER AGREEMENT AND WAIVER OF LIABILITY

MEMBERSHIP/FACILITY USER AGREEMENT

In applying for membership, I agree to observe the constitution, bylaws, policies and regulations of the CHATS LAKE COMMUNITY BOAT CLUB. I understand that membership is at the pleasure of the Club and may be revoked at any time for just cause and/or non-compliance with the rules of the Club.

I also recognize the volunteer nature of the Club and agree to perform various tasks when so requested. The Club recognizes that certain physical activities are beyond the capabilities of some members and will respect any request for exclusion from these activities.

INDEMNIFICATION AND WAIVER OF LIABILITY

Notwithstanding any offer or provision of services by the Club, whether for a fee or gratuitously, members/facility users—acknowledge that the Club is not liable to them for any losses, injury or damage suffered to their property or persons (or authorized users), arising, whether through acts of negligence or otherwise, of officers, members or employees in the launching, hauling, storing, servicing or moving of their equipment or other property whatsoever, in the conduct of racing, or other activities of the Club, in the occupation and control of the Club's property, or by virtue of any relationship with any custodian or person responsible for the members'/facility users' property in any manner.

All members/facility users acknowledge and accept that such a liability shall be borne by them as the case may be, and further indemnify the Club and hold harmless for all loss, cost and expense incurred by reason of the members'/facility users' (or authorized contractors') neglect or use of the premises/facilities or by reason of injury to any person or property in or upon the property. I hereby Certify that I carry appropriate and adequate insurance in respect of the boat, equipment and other property to be moored, stored or used in Bell Park Harbour and/or on Club premises, to protect myself against liability for loss, damage, bodily injury, or death to any third party on the Club's property, for all times the boat, equipment or other property is moored, stored or used on the premises.

DOCKING SPACE POLICY AND PROCEDURE

Policy

1. Docking space is for members' personal use only and it is nontransferable.
2. There shall be no subletting agreements made between members, except to the Boat Club itself.
3. Those assigned docking space have the option of renewal on a yearly basis.

Procedure

1. Notification of the desire for renewal of a docking space should be given to the Vice Commodore – Docks, prior to the end of October.
2. All fees are due by 31 March.

Note: The Annual Membership Form and Fee Schedule will be sent by mail or electronically to all members before 1 March.

Other points

1. Docks are the property of the club and are allocated at the Boat Club's discretion.
2. Any change of the usage of a docking space is at the discretion of the Boat Club.
3. Docking space is at a premium. To avoid conflicts, a Register and Waiting List for Docking Space will be kept by the VC – Docks. A copy of the Register for Docking Space will be posted on the Bulletin Board in the clubhouse. Those members who inform the VC – Docks of their requirement for a slip will be assigned one and listed on the Register. If no further space is available, members will be placed on the Waiting List, in order of paying their membership dues.
4. Docking space not paid for by the prescribed date (March 31) will be forfeited and the next member on the waiting list will be offered the space.
5. If already assigned a dock which is no longer desired, members should inform the VC-Docks, who will allot the slip to the next member on the Waiting List. A returning member may have a docking space again the following year if they have made arrangements as noted in Item 6, but if relinquished for more than one year, the member will be placed on the Waiting List at the bottom of the list. Although returning paid-up members will usually occupy the same docking space as in previous years, the VC – Docks may need to reassign docks depending on boat size and characteristics.
6. A paid-up member who will not be able to use their dock space may request a one year suspension from the VC-Docks and, if granted, the dock space will be temporarily assigned to someone on the waiting list for the one year period.
7. Paid-up members who leave open a docking space for any reason after dock lift-in should not expect any refund because they no longer require the space. If, however, the dock is reassigned to another member, a prorated refund may be forthcoming, at the discretion of the Boat Club.
8. Long-term storage of boats on club property is not permitted. After three years of inactivity, the boat must be removed by the member by the end of the third summer (before dock haul-out). If such boats are not removed, fees comparable to commercial storage fees may be imposed at the discretion of the Executive. Boats stored on club property must be kept neat and in good repair, or be removed.
